ISSUES THAT THIS FIXES FROM THE 1582 AD GREGORIAN CALENDAR SYSTEM

Takes the focus off of Martin Luther King and Columbus and puts focus on God and Jesus Christ.

Fixes the problem of New Years Day and the 4th of July, Halloween and Christmas roaming around on different days of the week. New Years is always on a weekend. July 4th is always on a Friday. Halloween and Christmas are always on a Sunday.

The days are the same every year for easy production planning.

Each quarter has an equal amount of days.

Each quarter is a season.

The placement of September, October, November, and December makes them match the meaning of their names (7, 8, 9 and 10).

Converts Rosh Hashanah (Feast of Trumpets), Yom Kippur (Day of Atonement), and Hanukkah (Festival of Lights) to English and shows them at their proper dates to match the dates in the Holy Bible.

Puts Easter in the first month to match the story in the Holy Bible.

Fixes the date of Easter on March 22 every year instead of the Easter date floating around every year.

Highlights God's 7 Holy Days (numbered in white).

This is a brand new modernized calendar system based on God, Jesus Christ and the Holy Bible to ensure a high quality, safe and healthy living environment for America to be a shining light to the nations of the world. It puts our work production system in sync with our public school system to make all of our lives easier.
